Updated forms: changes to valuer's certificates

Updated Community Schemes Approved Form 9 and Strata Schemes Approved Form 30 will be published on the LPI website <u>www.lpi.nsw.gov.au</u> on Tuesday 1 March 2016. The valuer's certificate on each form will be amended to replace the term 'registered valuer' with 'qualified valuer'. Copies of the updated approved forms are attached with Approved Form 9 as it appears on Plan Form 6D.

These changes are because of the repeal of the Valuers Act 2003 on 1 March 2016. The repeal means that property valuers in NSW no longer need to be registered.

Qualified Valuers

The Community Land Development Act 1989, the Strata Schemes (Freehold Development) Act 1973 and the Strata Schemes (Leasehold Development) Act 1986 have been amended to insert a new definition and references to a 'qualified valuer':

A 'qualified valuer' is defined as a person who:

- has membership of the Australian Valuers Institute (other than associate or student membership), or
- has membership of the Australian Property Institute (other than student or provisional membership), acquired in connection with his or her occupation as a valuer, or

has membership of the Royal Institution of Chartered Surveyors as a chartered valuer, or

is of a class prescribed by the regulations.

Valuers must ensure they comply with the new provisions when completing a Valuer's Certificate signed and dated on 1 March 2016 and onwards.

More information

The repeal of the *Valuers Act 2003* is provided for in the *Regulatory Reform and Other Legislative Repeals Act 2015* which is published on the NSW Legislation website www.legislation.nsw.gov.au. The Act also repeals the *Valuers Regulation 2010* and a number of other Acts and Regulations.
